

Sears

Auto Center

The Sears Fleet Maintenance Program is designed to keep your fleet rolling. With nearly 900 convenient locations nationwide, Sears Auto Centers can service your fleet just about anywhere.

Fleet Maintenance Made Easy

Each Sears Auto Center will give you the kind of priority service and fleet maintenance solutions your business deserves:

- **Location.** Sears is easy to find and easy to get to, with convenient locations close to where your business operates. Simply dial 1-800-NOW-AUTO for the location nearest you.
- **Night & Weekend Hours.** Sears has extended hours to serve you when it's most convenient, which keeps your vehicles up and running when you need them most—at peak business hours.
- **Reservations Accepted.** Speed up service by calling ahead for regularly scheduled maintenance.
- **Knowledgeable Staff.** You'll be greeted by a professional sales team who will answer your service-related questions and provide the information needed to make an informed buying decision.
- **Quality, ASE-Certified Mechanics.** Classroom-trained staff will have your vehicles back on the road fast. And, they'll help you minimize downtime by performing preventative maintenance.
